These things are typically carried live, or if they are not they are covered. So any coverage is what I wanted

taped. I guess I should clarify that. Any coverage I

5 wanted taped. So if it wasn't live, it was taped, and

6 I wanted it covered. I wanted it taped.

Q. And you said you don't know if those tapes

8 still exist?

7

9 A. No.

10 O. No, you don't know or no, they don't?

11 A. No, they don't as far as I know.

12 Q. Any reason why they no longer exist?

13 A. No.

Q. So how soon after you returned from, wherever 14

you were, did you watch the tape?

16 A. Shortly thereafter.

17 Q. Were you by yourself?

18 A. No.

Q. Who was with you? 19

20 A. With my family.

21 Q. Who is your family?

22 A. My mother, my brothers.

23 Q. Which other brother?

24 A. My brother Pete.

25 O. Any other brothers?

Page 22

A. No.

Q. So David and Pete and your mom?

8 A. At my brother's home.

O. Which brother?

10 A. Dave.

11 Q. What do you recall, if anything, of the

12 conversation among you when you watched the tape?

13 A. I remember asking what else happened at the

14 event, you know, that wasn't on tape.

15 Q. And what were you told?

A. That they were impressed. That they enjoyed

17 seeing Donald Trump and Melania, and they had a chance

18 to meet a lot of nice folks there, people who wanted to

19 invest, got to see the project or look at what he was

20 planning, saw the excitement that he was portraying.

21 There was a real air of excitement.

22 Q. Are you contending in this lawsuit that on

23 whatever day that was -- be it February 19th, 2005, or

24 some other date -- that Mr. Trump was not, in fact,

25 excited about this project?

1 A. Could you repeat that?

MR. GRIFFIN: Could you read that back?

(Preceding question read by the reporter.)

4 THE DEPONENT: No.

5 BY MR. GRIFFIN:

O. What do you contend in this lawsuit Mr. Trump

7 said at the press event that was taped for you later

viewing that was false or misleading?

9 A. "I love my partners" spoke volumes. As I

10 look back, I remember that.

11 Q. And what is about the statement "I love my

12 partners" that you and this lawsuit contend was false

13 or misleading when it was stated?

14 A. He represented himself as a partner and

15 confirmed it at that point.

16 O. Did you say and confirmed it?

17 A. And confirmed it at that point that he was a

18 partner in this deal.

19 Q. And I'm not trying to be silly here, but it

20 wasn't the "love" part of it that you found to be false

21 or misleading; is that fair?

22 A. That's correct.

Q. It was the fact that in your view he was

24 representing himself to be a partner?

A. That's correct.

Page 24

Page 23

Q. All right. I'm going to try to save some

time here, but I want you to have the opportunity to

3 tell me anything and everything that is on your mind as

4 a plaintiff in this lawsuit.

5 I got on this line of questioning by asking

you to tell me the sources of information that you

7 relied upon or that you do rely upon to contend that

8 you were lied to or defrauded, and when I asked you how

you had been lied to or defrauded, you mentioned to me

in three different ways a representation to you that

11 Mr. Trump was a partner. Do you recall that testimony?

12

A. Yes.

13 Q. Okay. So if I ask you regardless of the

14 source of the information, whether it be the press

event that you just described or some other writing or

some other document, whatever the source was, is it

17 your position in this lawsuit that the manner in which

18 you were lied to or defrauded was by a representation

19 to you that Mr. Trump was a partner in this condominium

20 project?

21

A. Yes.

22 Q. Is there anything else as a matter of fact or

23 substance that you contend you were told either orally

24 or in writing about this project and about Mr. Trump

25 that you contend was part of the fraud or lying to you?

1. 1. 1. 1. 1. 1. 1. 1. A. Yes. 3 Q. And we will get to the specific documents

- later in the deposition, but let me ask you generally.
- Do you recall reading anything in any of the documents

- 10 O. You understand that the purchase of real

MR. CLARK: Objection, form. You can answer. 3

4 THE DEPONENT: There is a little twist in

that question.

- BY MR. GRIFFIN: 6
 - Q. I'm not trying to be tricky. Trust me.
 - A. I'm not sure I understand the question.
- 9 Q. Then I will start over because I want you to

10 understand.

11 You have told me that the difference between 12 what you thought Mr. Trump was in your understanding as

- 13 a partner and what it turned out to be was that he
- 14 could take his name away. Did I get that at least --
- 15 that summary correct?
- 16 A. Yes.

17 Q. How did that fact or that difference damage

18 you?

19 MR. CLARK: Same objection.

> THE DEPONENT: It changed everything. My investment was lost on day one because it wasn't a

22 true investment in the Trump name because I wasn't

- 2 understand Mr. Trump -- strike that.

3 What did you understand that Mr. Trump would

do or be responsible for as a partner that turned out,

5 at least in your mind, not to be true?

- A. I trusted that his name would always be there
- 7 on that piece of real estate. Very simply, I never
- 8 would have thought his name could be taken off that
- 9 piece of property.
- 10 Q. Anything else?
- 11 A. No.
- 12 Q. Assuming that what you just said is -- strike
- 13 that.

- 14 How were you damaged by the fact that in your
- 15 mind what you understood Mr. Trump's involvement to be
- as a partner was not in your view true?
- 17 MR. CLARK: Objection, form. You can answer.
- 18 THE DEPONENT: He could walk away from the
- 19 project and take his name with him.
- 20 BY MR. GRIFFIN:
- 21 Q. You started your answer with the word --
- 22 well, the second word was "could," but I need you to --
- 23 and if you need me to clarify it, I will. I want to
- 24 know in actuality how you were damaged by the fact that

- A. Even if the building was built, I was still

 - Q. That's not, in fact, what happened, right?
 - A. That is right.
- 5 Q. The building wasn't built?
 - A. That's correct.
- 7 Q. So we don't know if the name had stayed on

- 9 A. That's right, but you're asking me what if

- 11 Q. That's right. I understand. So it's your
- 12 position that even if this building had been built and
- 13 even if it had the Trump name on it, that you were
- 14 still defrauded?
- 15 A. I was defrauded because I was not told that
- 16 Trump could have taken his name off the building at any

7, 11

- 17 time, and I could have lost my investment at any time,
- 18 and, in fact, I did.
 - Q. But I just want to make sure we are clear.
- 20 It is your contention that -- strike that.
- 21 You would still be suing Mr. Trump today even
- 22 if the building had been built and his name were on it
- 23 based on what you learned in the licensing agreement,
- 24 correct?
- A. No. If his name was on the building and --

Is Donald J. Trump or the Trump Organization 10 mentioned anywhere in Exhibit 3? 11 Q. Have you talked to him about this lawsuit? 12 A. I don't know. I would have to read this over 12 13 again. 13 Q. - 4 Q. Okay. So tell me about the substance of any
- 5 discussion that you had with your brother about this
- 6 lawsuit.
- 7 A. I mentioned it to him, but he was not
- 8 interested.
- 9 Q. Did he tell you why he was not interested?
- 10 A. Well, the property is not really an issue.
- 11 Q. What does that mean?
- 12 A. We were just not interested -- or he is not
- 13 interested. I'm sorry. He is not interested.
- Q. Is that all you recall of the conversation? 14
- 15 A. Yes.
- 16 O. Where does he live?

I could tell you were concerned about that.

- Q. All right. Who was that lawyer?
- 4 A. I don't recall.
- 5 Q. All right.
 - A. It was his lawyer.
- 7 Q. Your brother's lawyer?
 - A. Yes.
- 9 Q. So I had you look at Exhibit No. 3, which is
- 10 the contract that you signed so that we sort of had an
- ending point or a chronology. When did you first hear
- about the project for which you signed Exhibit No. 3?
 - A. Very early on right before it went public.
- 14 Q. What do you mean "went public"?
- 15 A. Before the project was announced publicly, I
- 16 had heard about it.
- 17 O. From whom?
- 18 A. Through friends in the media.
- 19 Q. What did you hear?
- 20 A. We were receiving notification, press
- 21 releases, media kits already.
- Q. In your professional capacity? 22

MR. GRIFFIN: Yes.

- 16 MR. GRIFFIN: All I would like you to do,
- 17 Dan, is just look at this and make sure we have
- 18 got all of it in one form or another. You don't

- 20 MR. CLARK: All right.
- 21 THE DEPONENT: I need to correct something I

- A. I have read everything I could and looked at everything I could about the project; meaning the

- sales office, looked at the Web site once it was up,
- 14 spoke to a Realtor.
- 15 Q. Who?
- 16 A. I can't even remember our Realtor's name.
 - Q. Was it somebody associated with Tony

- 19 A. I don't think so.
- 20 Q. Anything else?
- 21 A. That's it.
- 22 Q. When was Exhibit No. 3 signed? Look on the
- 23 last page. It might tell you that.
- 24 A. November 29th, 2005.
- 25 Q. What did you learn about this project between

By that I mean -- when I say 2 Everette; is that correct? "what did you learn," what information did you receive 3 A. Uh-huh, yes. 4 from any source? 4 O. Okay. What did -- strike that. 5 5 A. I was keeping up on every press article, Did either your Realtor or Ms. Everette tell press release from the Trump Organization, from the you anything that you are relying on in this lawsuit to 7 SimDag-RoBEL organization. I had access to those support your contention that you were misled or 8 things. 8 defrauded or lied to? 9 9 Q. In your professional capacity? MR. CLARK: Other than what has been 10 10 A. Before you signed Exhibit No. 3 -that you are relying on in this lawsuit and supporting 19 strike that. your contention that you were lied to or defrauded is 20 I want you to identify for me all persons what you heard Mr. Trump say at the February 2005 press 21 that you spoke with regarding this condominium before 21 event, correct? 22 you signed Exhibit No. 3, and I'm asking you the 22 A. It's on the materials. 2 correct? 2 Q. Let me clarify then. 3 A. That's correct. 3 A. Okay. 4 Q. So between that time and the signing of 4 O. I'm drawing a line between written materials 5 Exhibit No. 3, what actual conversations did you have 5 and --6 with anybody on the seller's side about this project? 6 A. Verbal. 7 A. The Realtor -- our Realtor whose name I 7 Q. -- verbal, oral. 8 cannot recall right now. 8 A. All right. 9 Q. If you do remember it later, would you tell 9 Q. So let me state it again so we are clear. 10 me? 10 The only oral statement as opposed to written statement

- 11 A. Yes.
- 12 Q. Anybody else?
- 13 A. I believe that's in our file. I'm sorry. I
- 14 don't have that off the top of my head.
- 15 Q. Sure.
- 16 A. Tony Everette; of course, Don Wallace, my
- 17 husband; Thomas Warren; Dave Lucadano, you know,
- 18 just -- I didn't know if you want --
- 19 Q. No. That's why I said in my question I was
- 20 asking for discussions with persons on the seller's
- 21 side. That would not include Mr. Warren or your
- 22 husband?
- 23 A. I'm sorry. Yes.
- 24 Q. That's okay. If I understand what you have

- upon which you are relying in this lawsuit to support
- your contention that you were defrauded or lied to or
- 13 misled is what you heard Mr. Trump say at the
- February 2005 press event, correct? 14
- 15 A. No. It was represented as a Trump
- 16 development through and through. Yes, it was
- 17 represented that way with the representatives who were
- 18 helping to sell the units.
- 19 Q. Let me break that down. When you say
- 20 "through and through," you kind of used your hand and
- pointed towards the documents on the table. I want to
- 22 exclude written documents. Okay?
- 23 A. The reason I did that --
- 24 O. Uh-huh.
- 25 A. -- is because it was an entire package. You

I have got the adding to it? written. I know what that is. 6 6 A. I am withdrawing the last few words. A. All right. 7 O. Okav. Q. So I need to know what oral statement by a 8 A. Yes. Without the truth, you have nothing. 8 human being you relied on or you do rely on to support 9 Q. So to return to my question. If this your contention that you were defrauded, lied to, 10 building had been built according to all specifications misled, other than what you heard Mr. Trump say in the and details that Mr. Trump might have required pursuant videotape of February 2005? to the license agreement, but it didn't have his name 13 A. I was assured that I was buying and investing on it, you would have nothing, correct? 14 14 in a Trump signature property. A. That is correct. Q. Who made that assurance orally to you? 15 Q. Okay. Have you told me everything that 15 16 A. Tony Everette. 16 you -- strike that. 17 Q. Anyone else? 17 Have you told me every person that you recall 18 A. And my Realtor. 18 speaking to about this project between the February 19 Q. Did you ask for that assurance? 19 2005 press event and signing Exhibit 3, that is the 20 A. They were simply repeating and promoting 20 Realtor and Ms. Everette? 21 exactly what Donald Trump was. 21 A. Yes. 22 Q. So the statements that the Realtor and 22 Q. Did you visit the sales center? 23 Ms. Everette made to you were no different than what 23 A. Yes. you had heard Mr. Trump say? 24 Q. Is that where you talked to the Realtor and 25 A. Exactly. 25 Ms. Everette? Page 74 Page 76 1 Q. Okay. A. Yes. 2 A. And what everything that was being promoted 2 Q. How many times did you visit? 3 all along the way, it was all consistent; it was all 3 A. Approximately four to five times. 4 uniform. 4 Q. Did you speak to someone on each occasion? 5 Q. When you were told that we're buying into a 5 A. Yes. Trump signature property, what did you understand that 6 6 Q. But no person other than the Realtor and 7 to mean? Ms. Everette? 8 8 A. That meant that my investment was in his name A. That's correct. 9 9 Trump Tower, and there is a certain level of (Lunch recess.) significance with that investment. Donald Trump knows 10 10 BY MR. I want you to confirm that, and you can take 14 have nothing. as much time as you need to look at it, but my first 15 Q. So if you have the tower completely built 15 question is --16 according to all of the specifications that Mr. Trump 16 (Exhibit No. 6 was marked for might require pursuant to the licensing agreement, but identification.) 17 18 it doesn't have his name on it, you have nothing? 18 MR. CLARK: I'm going to help her, Chris, 19 A. You do not have what you paid for. 19 just show her the way these things are set up. 20 Q. Do you have nothing? 20 BY MR. GRIFFIN: 21 A. In my mind, yes. 21 Q. Mr. Clark showed you the last page of 22 Q. Okay. 22 Exhibit 6. Is that your signature on that page? 23 A. You do not have what you originally paid for, 23 A. Yes. 24 and to me that's fraud and deceit. 24 Q. Did you read these answers before you signed Q. Do you have nothing in that circumstance? 25 25 this?

- 17 Q. All right. And did Mr. Dagostino call the

 - 6 can't he pay for it out of his back pocket?
 - A. Rephrase that question.
- 18 MR. GRIFFIN: Can you read that back?
 - (Preceding question read by the reporter.)
- 20 THE DEPONENT: Did I say that personally to
- 21 him?
- 22 BY MR. GRIFFIN:
- 23 Q. Yes.
 - A. No.
- Q. Did anybody else in the room?

Page 82

Page 84

- 1 response to what Mr. Dagostino had to say?
- 2 A. There were a lot of questions thrown at
- 3 Mr. Dagostino. People at this point were becoming very
- 4 concerned about the project, whether it was going to be
- 5 completed. At this point, I cannot recall the timeline
- 6 here. Whether we knew that Trump was just a licensor
- 7 at this point, I can't recall that.
 - So I don't recall if that was discussed at
- 9 this meeting or not. All I can remember is that -- I
- 10 don't believe it was because we still believed in the
- 11 project, and we were still all willing to hang in there
- 12 and move ahead with this.
- Q. I thought you told me that one of the things
- 14 that Mr. Dagostino said was that he wanted to assure
- 15 the investors that everything would be fine with
- 16 respect to the money that was owed to Donald Trump. So
- 17 if he said that, then didn't you already know about the
- 18 fact that SimDag-RoBEL owed money to Mr. Trump?
- 19 A. Again, I can't recall what he was referring
- 20 to as far as their agreement was concerned.
- Q. The agreement between Mr. Trump and
- 22 SimDag-RoBEL?
- A. Yes. We knew there were problems between the
- 24 partnership, between them.
- 25 Q. Trump and SimDag-RoBEL?

- A. I don't recall.
- 2 Q. Why didn't you say something like that
- 3 Mr. Dagostino when he reported to this group that there
- 4 were money problems with the project?
- 5 A. People were asking him questions about
- 6 financing the project.
- 7 Q. Well, haven't you told me all along that you
- 8 believed that because Mr. Trump was involved as you put
- 9 it, he could pay for it out of his back pocket?
- 10 A. Yes.
- Q. So if Mr. Dagostino is reporting to you that
- 2 there were money problems, why aren't you saying in
- 13 words or substance what money problems? This is Donald
- 14 Trump. He can pay for it out of his back pocket. Why
- 15 aren't you asking that?
- 16 A. I don't know if Donald Trump made that
- 17 statement before or after that meeting. I can't recall
- 18 that.

22

- 19 Q. But it doesn't really matter because you had
- 20 that expectation from the beginning, right?
- 21 A. Certainly.
 - Q. Then why didn't you say that to
- 23 Mr. Dagostino?
- A. I didn't have to say that to Mr. Dagostino.
 - Q. Why not?

22 (Pages 85 to 88)

Page 85

1 . A. I didn't have to say anything to

- 2 Mr. Dagostino.
- 3 Q. I agree. My question to you is: As a
- 4 concerned purchaser in this project, you go to a
- meeting at the Centre Club: the person who you
- 6 understand is there to represent the people building it
- 7 reports to you that there are money problems, which
- would be contrary to everything that you expected
- 9 according to your testimony, why didn't you ask the
- 10 question?
- 11 A. I went there to hear what was going to be
- 12 said. I went there to listen to what other investors
- 13 were saying to take it in. We really had no control
- 14 over anything at that point, nor did we have knowledge
- 15 of what was really going on.
- 16 Q. All the more reason to ask questions, right?
- 17 A. We weren't getting -- we were not getting the
- 18 truth anyway. As we have learned, we did not get the
- 19 truth from the beginning.
- 20 Q. Well, you can't get anything if you don't ask
- 21 questions, right?
- 22 A. There were questions being asked.
- 23 Q. Along the lines of what I just suggested?
- 24 A. As we have learned. We weren't getting the
- 25 truth.

Page 87

- existing fact that you found out later was not true
- when he said it?
- 3 A. I can't recall if we knew about the licensing
- 4 problem or -- strike that.
 - I cannot recall the timeline if we already
- knew that Trump was a licensor before this meeting or
- 7 after. That's what I'm not sure about.
 - Q. Whether it was or it wasn't, I'm asking
- 9 vou --

8

- 10 A. I'm not sure that it matters.
- 11 Q. I'm not sure it does either. That's why I'm
- 12 just saying. Whether it was before or after, whether
- 13 it matters to you or not, I'm asking you as you sit
- 14 here today do you know or can you tell me anything that
- 15 Mr. Dagostino told you at the meeting at the Centre
- 16 Club as a matter of then existing fact which you later
- came to believe was not true when he said it? 17
- A. I believe that he was really working to try 18
- 19 and pull this deal together.
- 20 Q. And he was doing so sincerely and to his best
- 21 efforts?
- 22 A. I do believe that.
- 23 Q. Okay. Is there anything that you think you
- could look at that would help you identify when this 24
- 25 meeting at the Centre Club was with Mr. Dagostino? Do

Page 88

Page 86

- you keep a calendar or anything that might reveal it?
 - 2 A: I'm very busy. I have a very full plate.
 - 3 This is somewhat of a blur to me. It was a few years
 - 4. ago.
 - 5 Q. Understood, which is why I'm saying is there
 - anything that as you think about that you might be able
 - 7 to look at that would -- could kind of get us to where
 - 8 this meeting -- or when this meeting happened?
 - 9 Is there anything that happened at or about
 - the same time where you can kind of tie it up or
 - anything like that? Let me ask you to think about
 - 12 that. If anything comes to mind, let me know.
 - 13 A. Okay.
 - 14 Q. You said at least twice, maybe three times
 - 15 that Mr. Trump was just a licensor. What do you mean

 - 17 A. He was licensing his name for this project,
 - 18 and that was it.
 - Q. When you say "just," that connotes to mean 19 20 not something else. So what is the something else that
 - the just is referring to?
 - 22 A. He was not as solid as a rock in this project
 - 23 as he presented himself to be.
 - 24 Q. How would he have been as solid as a rock in
 - 25 this project that you understood or desired him to be?

- Q. You are talking about from the beginning,
- 2 right?

1

4

- 3 A. From the beginning.
 - Q. I'm talking about at this meeting.
- 5 A. And from that meeting, apparently, we weren't
- getting the whole truth either.
- 7 Q. What truth were you not getting at the
- 8 meeting?
- 9 A. You would have to ask Mr. Dagostino that 10 question.
- 11 Q. I'm asking -- you just testified that you
- 12 were not getting the truth at the meeting. My question
- 13 to you is: What truth did you not get at the meeting
- 14 as you sit here today?
- 15 A. You would have to ask Mr. Dagostino that.
- 16 Q. So there is nothing that you can recall as
- 17 you sit here today that you received at that meeting
- 18 with Mr. Dagostino that you believe was untrue,
- 19 correct?
- 20 A. There were things that we were told at that
- 21 meeting that never happened. The building was never
- 22 built; the financing never came through. Mr. Trump was
- 23 never paid his licensing fees and so on and so forth.
- 24 Q. Okay. Did Mr. Dagostino say anything at the 25 meeting at the Centre Club as a statement of then
